Untitled, Miami Beach

Miami Beach, Fl, November 15, 2016 - Untitled, Art, the international, curated art fair, is pleased to announce the return of the successful Untitled, Radio presented by Wynwood Radio, at their 2016 fair in Miami Beach. Untitled, Radio, which debuted in 2015, is a platform that takes the place of the customary fair program of talks, interviews, and roundtable discussions. Encapsulating Untitled’s ethos of inclusivity, the radio station brings together artists, curators and institutions from all around the world, and can be accessed whether listeners are physically at the fair, or elsewhere. The radio station is broadcasted live from the fair by Miami-based Wynwood Radio and is also available online. Programming for 2016 features conversations, panels and interviews as well as sound art, performances, readings and curated playlists.

“Untitled, Radio was born out of a desire to rethink the way that performance art and panel discussions are presented within the context of an art fair”, states Amanda Schmitt, Director of Programming and Development, “This furthers the forward-
thinking ethos of Untitled, both as a fair and as an exhibition, by presenting work that is immaterial and non-visual, situated amongst the works presented in our exhibitors’ booths."

Untitled, Radio on Wynwood Radio uses a live radio web-stream to broadcast all programs from the fair to an international audience. Likewise, contributors to Untitled, Radio are not bound by geographic location and the 2016 edition will include international contributions from artists and performers from the East and West coasts of the USA, from Sweden, Germany, Morocco, Chile, France, and more.

This year, Untitled, Radio will be situated within *HYBRID STRUCTURE (Miami Folly)* an elevated structure overlooking the fair conceived by artists Alois Kronsclaeger and Paul Amenta, with architect Ted Lott of Lott3Metz Architecture, presented by SiTE:LAB.

**Untitled, Miami Beach Exhibitors on Untitled, Radio**
Several exhibitors participating in the fifth edition of Untitled, Miami Beach are contributing to the radio program. Exhibitor participation includes politically and socially charged contributions such as *Just Yell*, a collaborative project between artist Cheryl Pope and local Chicago high school students which subverts traditional notions of cheerleading as a reaction to inner city gun violence presented by Monique Meloche Gallery and *Derelicts Dish*, a new audio piece presented by Aspect/Ratio and performed by Knight & Knight (Autumn Knight and Chelsea Knight), in which they discuss feminism, psychoanalysis and race.

Other highlights include the debut of *NATURE vs NURTURE*, by Paranovella Studios, combining graphic novels and old-time radio tropes for a mind-tingling storytelling sensation presented by Nyehaus and a recording of a live performance by artist Richard Garet at SFMOMA in 2011 presented by galerie burster.

**Conversations and Talks**
Untitled, Radio will feature a series of engaging discussions and talks by innovative individuals and notable organizations. ICA Miami’s Art + Research Center will present a live conversation around the new initiatives in pedagogy that are emerging within traditional art institutions with Julia Morandeira Arrizabalaga (Informal School at CA2M—Centro Dos de Mayo in Madrid), the artistic collective Bik Van der Pol (Itinerant School of Missing Studies), Natalia Zuluaga (The Program for Applied Artistic Research at Art Center/South Florida), and Gean Moreno, (Art + Research Center at the ICA Miami). Other highlights include *DIsstopia*, a podcast developed by DisArt, a multi-platform organization that seeks to change perceptions about disability.
Music
Music will feature prominently in Untitled, Radio’s programming, including a set from *WIERD Records, and the Wierd Party (2003 – 2013)*, the long-standing club night in New York and an interview with Konstmusiksystrar, a network of Swedish composers and sound artists who identify as women or transgendered people. The station will also feature live performances from contributors including New York City-based artist, composer, and electronic musician Roarke Menzies and the electro drama band La rubia te besa.

Sound
Untitled, Radio is proud to be featuring a variety of sonic artworks, giving a platform to works that are often challenging to incorporate into the traditional art fair context. Highlights include a recording of Polish visual artist Anna Ostoya reading her interpretation of Ben Lerner’s short story, *The Polish Rider*; a live reading with Badlands Unlimited and Andrea McGinty of Larissa Pham’s Fantasian; and a live reading by artist Matthew Weinstein of his work *The Celestial Sea*, among others.

Untitled, Radio will be broadcast live from the fair on Wynwood Radio and streamed online, available on personal mobile devices by visiting [www.wynwoodradio.com](http://www.wynwoodradio.com) (click on the Listen Live button), or the TuneIn Radio app (open TuneIn and search for Wynwood Radio), as well as on-site designated areas at the fair.
