About Untitled, Art

Untitled, Art is an international, curated art fair founded in 2012 that focuses on balance and integrity across all disciplines of contemporary art. Untitled, Art innovates the standard fair model by selecting a curatorial team to identify, and curate a selection of galleries, artist-run exhibition spaces, and non-profit institutions and organizations, in discussion with a site-specific, architecturally designed venue. The next editions of Untitled, Art will take place on the beach at Ocean Drive and 12th Street in Miami Beach, FL, December 5 - 9, 2018, and at Pier 35, 1454 The Embarcadero, San Francisco, CA, January 18 – 20, 2019.
