### Untitled Art, Miami Beach Announces Inaugural Otazu Art Prize at the Seventh Edition in 2018

New York, NY, October 30, 2018 – Untitled Art is pleased to announce the debut of the **Otazu Art Prize**, presented in partnership with the **Fundación Otazu** of Navarra, Spain. The award will consist of up to \$20,000 for the acquisition of an artwork that will become part of the permanent collection of Fundación Otazu. The acquired work will be selected from the artworks presented by the 133 international exhibitors, representing 55 cities and 29 different countries, at the fair's seventh edition in Miami Beach.

The partnership with Fundación Otazu reflects Untitled Art's ongoing commitment to present innovative ways of supporting contemporary art. Fundación Otazu was created with the purpose of managing and directing a comprehensive program around its collection of contemporary art located at Bodega Otazu winery, in Navarra, Spain with the intention of highlighting the relationship between art and industry. The Otazu Art Prize will be given annually by a jury of art world professionals, and the winning artist will design a wine label based on the awarded work. The label will be used for a special edition wine that will be presented at the eighth edition of the fair in 2019.

In addition to curated exhibitions around the art collection, the foundation has developed a program ranging from scholarships and residences for young artists, to a biennial of monumental sculpture for internationally renowned artists. The foundation's mission is to move beyond the boundaries of a contemporary art collection and to create a community of artists and thinkers who collaborate on projects that integrate art, history, nature and wine on the premise of artistic creation as a tool for reflection, innovation, awareness and social improvement.

The next edition of Untitled Art, Miami Beach will take place December 5 - 9, 2018 on the beach at Ocean Drive and 12<sup>th</sup> Street in Miami Beach.
